PLEASE ADDRESS CORRESPONDENCE TO THE GOVERNOR

VISITOR EARNINGS & REMITTANCES REPORT OCTOBER 2021

This report is a monthly release of the latest available indicators on the tourism sector and private remittances, with information sourced from the Central Bank, Samoa Bureau of Statistics and the Ministry of Customs and Revenue.

Report No.4: 2021/22

October 2021

Visitor Arrivals

The ongoing closure of Samoa's international borders solely for safeguarding and protection of its people from the deadly Covid-19 pandemic and the push for increasing vaccination for eligible population (with the exception of repatriation flights for returning Samoan citizens only) has continued to severely affect the tourism industry. Therefore, there were no tourist arrivals and earnings recorded for the nineteenth consecutive month.

Remittances

Total inflow of remittances recorded a significant increase of 22.4 percent (or \$12.6 million) to \$68.9 million over the year and was also up by 28.8 percent (or \$15.4 million) compared to the previous month.

Primarily responsible for this substantial improvement over the same month last year were higher transfers from Australia (up by \$7.9 million), United States (up by \$4.0 million), New Zealand (up by \$1.2 million) and American Samoa (up by \$0.6 million). By recipients, the increase came from 'Family and Households' (up by \$12.3 million), 'Non-profit Institutions' (NPISH) (up by \$0.6 million) and 'Others' (up by \$0.1 million).

Total inflow of remittances in the first four months of FY 2021/22 increased by 6.9 percent (or \$15.0 million) to \$233.4 million over the same month last year. Underpinning the overall increase in the first four months were strong gains in transfers from Australia, United States, New Zealand and American Samoa by \$8.7 million, \$7.6 million, \$3.5 million and \$1.2 million respectively. Partially contributing to the expansion of remittances was the appreciation of the Samoan Tala against New Zealand dollar (by 0.3 percent) and US dollar (by 0.1 percent) over last year. In terms of recipients, total funds for 'Family and Households', 'Hand carried cash' and 'In Kind' rose by \$21.6 million, \$4.6 million and \$2.4 million respectively.

The monthly share of total remittances inflows received directly through Money Transfers operators (MTO's) fell to 78.3 percent from 89.3 percent in October 2020 while those received directly through commercial banks edged up to 21.7 percent from 10.7 percent in the same month last year.

The average monthly cost of sending NZD\$200.00 to Samoa fell to 7.80 percent from 10.19 percent in the previous year while the average cost of sending AUD\$200.00 to Samoa also decreased to 6.82 percent from 8.29 percent over the year.

CENTRAL BANK OF SAMOA 08th December 2021
